

THE ARTHRITIS ASSOCIATION OF UGANDA

Advocating for the Rights and Wellbeing of People Living with Arthritis

VISION

Having a society where people living with arthritis enjoy equal rights.

MISSION

To remove barriers that prevent people living with arthritis from enjoying their full rights.

OUR FOCUS

- Advocacy and rights
- Health and wellbeing
- Capacity building
- Inclusion and equal opportunities
- Support and empowerment

GOAL

Improve the health standards of living of people living with arthritis.

OBJECTIVES

- Increase awareness among people living with arthritis, those affected, members of the society, the conditions of arthritis, their rights and real acceptance by society.
- To research, collect, document and disseminate information that will enhance the welfare of people living with arthritis.
- To improve accessibility to health care services of people living with arthritis.
- To lobby and accessibility to decentralization of services including provision of appliances and affordable medication to people living with arthritis.
- To improve and promote the welfare and capacity development of all people living with arthritis.
- To facilitate interaction and sharing of life experiences among people living with arthritis and those affected.
- To maintain liaison with people with disabilities (PWDs), those national and international.
- To have a common voice for people living with arthritis so as to advocate for the particular needs of The Arthritis Association of Uganda.
